

Years of Suffering

Cataract and Blood Disease—Doctors Failed to Cure.

Miss Mabel F. Dawkins, 1214 Lafayette St., Fort Wayne, Ind., writes: "For three years I was troubled with cataract and blood disease. I tried several doctors and a dozen different remedies, but none of them did me any good. A friend told me of Hood's Sarsaparilla. I took two bottles of this medicine and was as well and strong as ever. I feel like a different person and recommend Hood's to any one suffering from cataract."

Diamond Scintillations.

The Lawrence club of the New England league is to be sold. Several Boston parties have been mentioned as purchasers.

At the close of the regular season a number of minor league players will go to Panama, where a league of four clubs is supported for about four months by the American contractors.

Included in the bunch of youngsters to be tried out by the Phillies at once is Cannell of Lebanon, drafted from Williamsport, and the leading hitter in the Tri-State league.

Tommy Burns is still talking about a return fight with Jack Johnson.

In Worcester, Wednesday, Jesse Burkett was put off the field for "nauseating" the umpire, for the 38th time this year, thus establishing a record that will stand as unique in baseball history.

The story is going the rounds that the Cleveland baseball team offered the sum of \$8,000 for catcher Al Smith of the Washington club. Catchers are scarce in the big leagues, and where a dozen pitchers can be found, not a good back stop can be dug up. The back stop is getting harder propositions for the big leagues each year, and no wonder Washington is chuckling with glee in getting such a promising youngster as Al Smith.

Fifty men are trying for the Annapolis football team under the coach, Berlin, and assistant, Howard. The back each day is short, on account of the warm weather.

Cole, the youngster, and Brown, the veteran, are being groomed by the Cubs of the post-season series.

John E. Bruce, one of the principal stockholders of the St. Louis Browns, says that he knows of no plans to sell the club.

Charles Brickley, the all-around athlete of the Everett (Mass.) high school, has given up the idea of going to Harvard and will enter Phillips Exeter.

The Boston Doves will have days off Monday and Tuesday and will play in two of the New England league cities.

President Thomas J. Lynch says that he will have several new umpires on his National league staff next season.

Connie Mack says that the Doves got a great player in Good, the heavy-hitting outfielder of the Baltimore club.

New Orleans won the pennant in the Southern association. The winning club obtained an early lead and has rarely been pressed, although three weeks ago it looked as though Atlanta had a chance.

Recent reports from Los Angeles have Jeffries in a precarious condition. It is even hinted that the big fellow will have to go to a sanatorium to regain his health.

In revenge for the act of the national commission in refusing to sanction his barnstorming tour with two teams made up of stars of the two major leagues, D. A. Fletcher of Cincinnati threatens to put a team in New York City and rind the players of both leagues, claiming that he has backing in millions for the venture.

Sam Frock had the honor of pitching a shut-out with the great Matthews against the Giants on Wednesday, but his support wobbled at the critical moment, and he lost out 2 to 0.

Stanley Ketchel is throwing the harpoon into Jack Johnson now. The first good man that Johnson meets will defeat him, says Ketchel. Enter Sam Langford.

NEW WORLD'S RECORD

Uhlman Lowers Mark for Trotters

BY SMASHING RECORDS

Trots Mile in 2:01 1/4 at Charter Oak Park Yesterday—The Harvester Also a Feature in Yesterday's Races.

Hartford, Conn., Sept. 10.—The breaking of the world's trotting record in an exhibition mile by a horse driven to wagon and without shield, was accomplished at Charter Oak park yesterday afternoon by Uhlman, 1:58 1/4, driven by C. K. O. Billings of New York. This sensational feat was witnessed by about 10,000, who wildly cheered horse and owner as they swept under the wire.

Uhlman, paced by a runner, made the mile in 2:01 1/4. The task undertaken was to break the record established by Hamburg Belle of 2:04 1/4.

The performance of the gelding yesterday is considered by horsemen the best of his career, all things considered. The mark of 1:58 1/4 was made at Cleveland, under track conditions decidedly more favorable than those of yesterday, for the undersurface of the court was heavy, owing to the heavy rains of the early week. A strong wind also swept the court of the track.

As the horses swept into the stretch the runner found it difficult to maintain a lead, and as Uhlman passed under the wire a great cheer arose from the grandstand, although it was not then known that the record had been broken. When the figures were flashed, the enthusiasm was renewed, and Mr. Billings received an ovation when he alighted.

The time by quarters was: First, 30 1/2; second, 1:00 1/4; third, 1:32 1/4; fourth, 2:01 1/4.

The other feature yesterday, the closing of the grand circuit meet here, was the breaking of the track record by The Harvester in the free-for-all trot. He won in straight heats, the time in the second and final heat being 2:03, which broke the track record of 2:04 1/4, made by Hamburg Belle.

GEERS IS GREATEST DRIVER.

Without Apparent Effort Gets Best Out of Horses He Handles.

ED GEERS, grand old man of the sulky, for thirty years a daring and successful driver on the grand circuit, is still, if not actually in harness, manipulating the reins with greater skill than any of his younger rivals. The turf has had its Garribos, its dapper Fitzpatrick, its Isaac Murphys and its Tod Stouens scattered through all the years Geers has been a figure on trotting tracks, and there would easily be a dozen named in answer to the query, "Who was the greatest jockey of all time?"

But the trotting turf has had one particular luminary, outshining all its

WILLIE LEWIS BEATEN.

"Dixie Kid" Handed Welterweight Fight or a Bad Beating.

New York, Sept. 10.—"The Dixie Kid," a negro welterweight, gave a severe beating to Willie Lewis last night at the National Sporting club of America and put a heavy crimp into his championship aspirations. At the bell Lewis was groggy.

In the ninth, the negro knocked Lewis flat on his back, with a right to the jaw.

The white man was nearly out, but stilled through the round by clever defensive work.

BATTLESHIP'S MEN DROWNED BY COMRADES

Report That Men Who Lost Lives During Oil Fire On North Dakota Were Victims of Recusers' Zeal.

Newport News, Va., Sept. 10.—According to men landing at Old Point from the battleships, the three men who met death aboard the North Dakota Thursday, were not killed by the explosion of oil, as at first reported, but were drowned when fire room No. 3, was flooded to prevent the spread of the flames and the explosion of magazines located just over the fire.

The bodies were recovered when the compartment was pumped out.

The board of inquiry appointed after the accident Thursday by Rear Admiral Schroeder, commander-in-chief of the Atlantic fleet, yesterday began its investigation. It is the belief that the three men who are dead, drowned by the flooding of the fire room, were unconscious from their burns before the water drowned them.

That the fatalities were so few is due to the heroism of many of the crew, who it is said, fought their way into the flames to drag out their injured shipmates.

REFUSED TO ATTEND

McCall, Sutherland and Denby Ignore Meeting

OF BALLINGER COMMITTEE

Showed Their Displeasure—Democrats

Condemn Ballinger, and Mr. Madison Defends the Former Chief Forester.

Minneapolis, Minn., Sept. 10.—But six members of the Ballinger-Pinchot investigating committee, one less than a quorum, were present when the session opened yesterday.

Senator Sutherland of Utah and two other Republicans, Representative Edwin Denby of Michigan, refused to attend the meeting and did not appear at the hotel where the sessions were being held.

The failure of these three members to attend when the session was opened was decided on Thursday night, following the arrival of Representative Denby.

Mr. Denby declared that the action of five members, who on Wednesday adopted a resolution of Representative Madison of Kansas, insurgent Republican, which charged that Secretary Ballinger was unfit and should be removed, was the "most extraordinary, indefensible and unjustified that partisan politics could devise."

It would be absurd now, he said, to meet with these members, when they had already promulgated their decision.

Messrs. Sutherland and McCall took a similar view and failed to put in an appearance. Chairman Nelson was the only Republican member besides Mr. Madison present when the meeting was called to order. The Democratic members in attendance were Senators Purcell of North Dakota and Fletcher of Florida and Representatives James of Kentucky and Graham of Illinois.

Soon after entering the committee room, the Democratic members affixed their signatures to their findings, which condemn the actions of Mr. Ballinger as a public officer and vindicate Gifford Pinchot, former chief of the forestry department.

Mr. Madison brought to the room an independent report, which he had prepared. It favors Mr. Pinchot.

Shortly after the executive session began, the secretary of the committee, Paul Sieman, was designated as sergeant-at-arms and directed to find the absentees, if possible, and bring them in.

In view of the positive declaration of Messrs. Denby and others that they would not attend, his mission seemed futile. The action was considered as a mere formality. Two of the members had left the hotel shortly before the committee met and Mr. McCall remained in his room.

There was no regular sergeant-at-arms present and Senator Nelson expressed the opinion that the secretary of the committee, while delegated as such, had no power to arrest the absentees and enforce their attendance.

Later, Senator Sutherland and Messrs. Denby and McCall were found together in a room by the secretary. The secretary told them that five members had requested that the absentees attend.

The latter declined and stated that no attention would be paid to any demand of the five members or to any threat to enforce attendance. A second time the three Republicans were requested to come to the committee room and they refused.

Senator Nelson requested that adjournment be taken until Monday and the meeting be held in Chicago. This, he said, would give Senator Root an opportunity to be present. No action was taken on this proposition. The Democrats were not disposed to delay any longer. Senator Nelson soon afterward left the room and the meeting for the time being was without a chairman.
